

Code Clash Rules

1. Team Size

Teams must consist of **1 to 3 participants**.

2. Code Sharing

Direct **code sharing between teams is strictly prohibited**. If you need help, reach out to available **mentors**.

- ◆ Sharing general advice, documentation, or debugging tips is allowed.

3. Bot Submissions

You **may not submit pre-existing bots**. All submissions must be coded from scratch during the event.

4. Overnight Access

Participants staying overnight must remain within the designated areas: **IC Atrium and IC-130 only**.

5. Respect & Conduct

Treat all participants, mentors, and staff with **respect**. Any form of **harassment, disruption, or misconduct** will not be tolerated.

6. AI Usage

You are allowed to use **AI tools** (e.g., ChatGPT or Copilot) to assist in development, but **fully AI-generated bots** or **copy-pasted AI solutions** are discouraged. Focus on learning and building yourself.

7. Submissions & Deadlines

All submissions must be finalized and submitted by **4:00 PM on July 12**. Late submissions will be dealt with on a case-by-case basis.

8. Identification Card

All participants must bring one photo ID with them to the event (TCard, Driver's License, etc.)

9. UTSC Policies

All **University of Toronto Scarborough policies and community guidelines** apply throughout the event. Participants are expected to follow them at all times.
